Primary reason

TC3	
⬛ (gray)	Health Research
⬛ (gold)	Sciences and Engineering
⬛ (teal)	Social Sciences and Humanities

Additional computational resources — 55, 83, 61

Additional storage resources — 60, 56, 54

Faster−performing computational resources — 35, 59, 61

Grant or funding requirement — 80, 24, 21

Web hosting or web portals — 50, 43, 25

Specialized hardware (e.g., TPUs, GPUs) — 15, 50, 32

Contributing to research work currently leveraging the Alliance cloud — 20, 46, 29

More flexible storage resources — 30, 36, 25

Other — 45, 20, 14

Ease of use — 20, 33, 18

Requiring cloud software not available on the commercial clouds — 25, 16, 7

Replicating research study/analysis previously performed on the Alliance cloud — 1, 4

Axis: 0, 50, 100, 150, 200
